Superior Concrete Finishes

Superior Concrete Finishes Pty Ltd is one of Queensland's premier providers concrete finishes – specialising in epoxy flooring and polished concrete floors.

Industry Experts

Every day our expert staff work hard at helping our customers select the best option for their concrete flooring and delivering them the highest quality finish – specific to their needs – on time and within budget.

Experienced

The strength of our business is built on the experience and work ethic of our dedicated staff and their passion for doing the right thing by our customers. Our team has over 30 years of flooring experience.

Fully Licenced

We are fully qualified flooring experts operating under a QBCC Licence that is hard earned and based on meeting all industry guidelines and requirements.

Safety Focused

We are fully insured and operate within strict WH&S guidelines for the protection of our staff, customers, and the public. All our WHSE Management Plans and Safety Work Method Statements are also available for review.

400+

Proficient

We are finishing over 400 concrete floors every year for residential, commercial, and industrial customers. We have the teams, skills and equipment to complete any sized jobs efficiently and correctly the first time.

Our Values

We strive to be a business that is deserving of long-term partnerships with their clients. Above all else, we believe in being an ethical, dependable company that focuses on quality.

These are the values we hold ourselves accountable to:

Integrity and honesty

We do what we say we will do.

Accountable and responsible

We achieve results.

Motivated and professional

We are problem solvers.

Safety and quality

We are constantly focused on production

Continuous learning

We are committed to achieve excellence.

Honesty and integrity

We will be respectful and fair to all our clients.

Take ownership

We will act to find a solution.

Team players

We have positive attitudes and we follow company standards and systems.

Commitment to success

We aim to exceed customer expectations.
